Dear Enapter Friends,

We are thrilled to extend a warm invitation to you for an update on our current work and an outlook of Enapter's technology for the upcoming year. Additionally, we are happy to invite you to the German-Thai Chamber of Commerce Oktoberfest. It would be a great pleasure to have you with us, discussing future technology and sharing mutual enjoyment throughout the evening.

Date: Saturday, 21st October 2023

Begin: 2:10 PM (6 PM for the evening event)

Venue: Sofitel Bangkok Sukhumvit

There is no specific dress code for the evening. Germans typically wear chequered shirts (which Thais might perceive as "cowboy style"). However, you are more than welcome to attend as you are, dressed in whatever makes you feel comfortable and at ease.

Please find the attached agenda.

Warm regards,

This invitation is not transferable.

RSVP - 18 September 2023 to nassaree@enapter.com

Seating for the Oktoberfest is limited.

It operates on a first-come, first-served basis.
